

## Installation Guide

### Stack Mount Kit for Philips G5

The purpose of this guide is to:

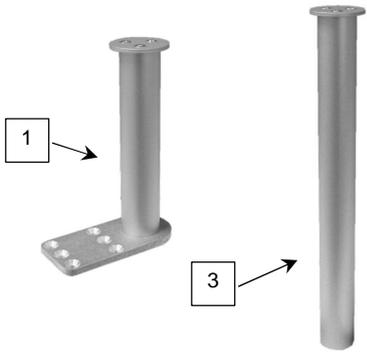

1. Describe attachment of Mount to G5 (page 1).
2. Describe installation of 12" Post on Mount (page 2).

**Parts Reference**

The following parts and hardware are included with this installation kit (hardware not shown):

Item #	Description	Qty
1	Stack Mount (6" Post attached)	1
2	M6 x 12mm Flat Head Machine Screw (FHMS)	3
3	12" Post	1

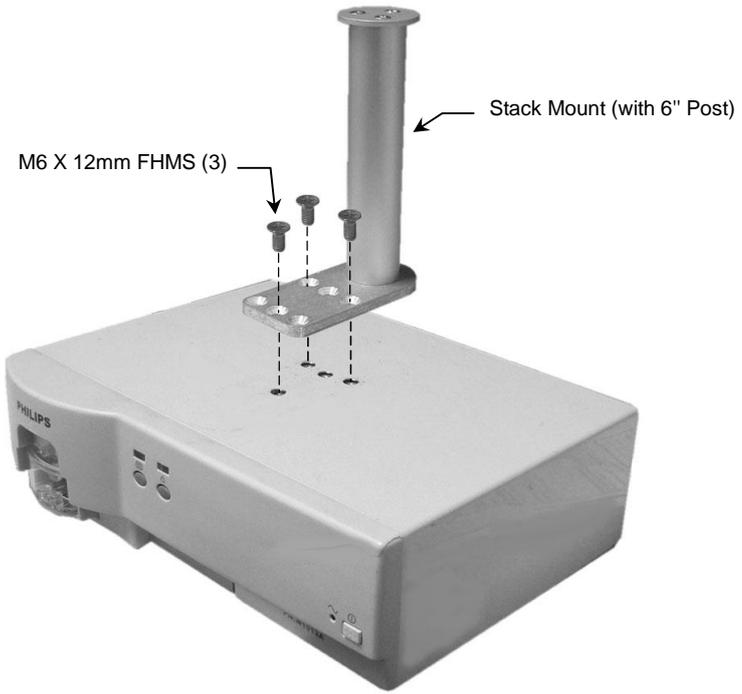

**Tools required:** Phillips screwdriver (not provided).

**Installation Note:** The Stack Mount is pre-configured at the factory with a 6" Post. See page 2 if the 12" Post is required.

**Attaching Stack Mount to G5**

1. Fasten Mount to G5 with three (3) M6 x 12mm FHMS as shown below.

### Mounting the FMS on the Post

Mount FMS according to Philips mounting instructions. Typical application shown below.

### Installing the 12" Post on the Mount

1. Unscrew three (3) pan head screws from the bottom of the Mount and remove the 6" Post. Do not discard screws.
2. Fasten 12" Post to Mount with screws removed in step 1. Follow "*Attaching Stack Mount to G5*" on page 1.
