# Specifications

## Country of origin

- China

## What is included

- 2-in-1 Thermopad: 2 pcs

## Dimensions & weight

- Dimensions: 175x175x40 mm

## Design

- Breast shaped design
- Soft feel sleeve: Comfort on skin
- Design by breastfeeding expert

## Functions

- Cold use: Sooth sore breasts
- Warm use: Stimulate milk flow

# Highlights

## Cold use

To sooth sore or engorged breasts. Keep in fridge or freezer. Always use with sleeves.

## Developed with expert

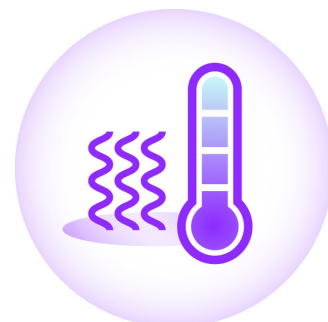

Developed with midwife and baby adviser Vicky Scott who has been supporting mums with breastfeeding for 15 years.

## Includes soft sleeves

For greater confort on skin

## Warm use

To stimulate milk flow before breast feeding. Lightly dampen the sleeves, as moist heat gives an extra comfortable feel and helps stimulation. Heat the pad in hot water for 10 minutes.
