CMND

Manage content and networks **easily with CMND**

Beautiful displays and stunning signage solutions are only as good as the systems that manage them. CMND lets you do everything easily and centrally. Whether you have one display or a thousand.

Your do-everything management platform

CMND is an end-to-end solution for connected professional displays. It covers system deployment, system operation, content creation and system maintenance all via one drag and drop interface. The bottom line: more engagement, more uptime, less frustration and lower total cost of ownership.

CMND & CONTROL

Run your network remotely with CMND & Control

Ready for an easy way to manage multiple displays? CMND & Control lets you set parameters, update software and customize and configure multiple displays at once. From wherever you are.

CMND & CREATE

Optimize the customer experience with CMND & Create

CMND & Create is a powerful authoring tool for creating compelling content. With its drag and drop interface, preloaded templates and integrated widgets, you'll be amazing customers with compelling stills and captivating video content in no time.

CMND & DEPLOY

Get setup fast with CMND & Deploy

CMND & Deploy supports fast installation and easy deployment. With CMND & Deploy, you can add and remove settings via cloning and install apps remotely.

CMND & CHECK-IN

Personalize and interact with CMND & Check-In

CMND & Check-In transforms the hospitality experience by increasing both personalization and efficiency. It comprises surprise-and-delight touches like Name on TV and guest-language input. Plus messaging, Bill on TV, express checkout, different channel packages and more.
