

A wide-angle photograph of a modern Philips Lighting store interior. The space is bright and open, featuring a long white table with grey chairs in the foreground. To the left, there are tall, dark shelving units displaying various lighting products and accessories. The ceiling is equipped with numerous track lights and pendant lamps, including a prominent copper-colored pendant light. In the background, there are more display areas with beds and furniture, all under a clean, industrial-style ceiling with exposed pipes and ductwork.
