Product news: Bookled HP, Mago R and Walk system LED HP gen.2

Bookled HP gen.2

Mago R gen.2

Walk System LED HP gen.2

New year begins with Bookled HP, Mago R and Walk System LED HP second generation. Three linear systems provided with opal and transparent screen to obtain an homogenous light effect. (Walk System LED HP is proposed also with clear screen). Regarding Walk System LED HP for example, power consumption is confirmed but luminous flux is improved more than 70%.
