

The top half of the image features a wooden surface with three Philips LEDtube lamps. Two are upright, showing their end caps with two pins. One is lying on its side. The lamps are white with blue bands and text. A Philips logo is in the top left, and an LED logo is in the top right. A dark blue box on the left contains the text 'LEDlamps' and 'LEDtube Ultra Output'.

LEDtube Ultra Output

The right LEDtube for demanding applications

Whatever your lighting application, the Philips MASTER LEDtube portfolio has the right LEDtube for you.

With an ultra output of 2300 lm to 3700 lm, our Ultra Output LEDtube range combines outstanding efficiency of 148 lm/W with the high quality light required by the most demanding applications. A simple switch that comes in a choice of two lengths and three color temperatures, with rotating end-caps.

The right choice for offices, schools, supermarkets, healthcare and industrial applications.
