

Pay as you save plan example

How it's calculated

Lamps replacement and installation project:

Retail chain of 250 supermarkets

From FLUO 51W TL to MASTER LEDTube 25W

| | |
|---|----------|
| Annual energy savings | €519,300 |
| Payment period | 5 years |
| Monthly energy + maintenance cost savings | €48,008 |
| Monthly payments | €30,000 |
| Net monthly savings | €18,008 |
| Net monthly savings after 5 years | €48,008 |

Projects pay for themselves

- No down payment
- Positive monthly cash flow from first month
- Realize full monthly savings when project is paid off

Upgrading your chain stores all at once, as frequently as needed, has never been so easy.
