

# Pay as you save plan example

## How it's calculated

### Renovation project with LED fixtures:

#### Steel plant – 60,000 m<sup>2</sup>

From Highbay 450W to GentleSpace gen2 LED 200W

Annual energy + maintenance savings	€285,150
Payment period	5 years
Monthly energy + maintenance cost savings	€23,800
Monthly payments	€14,800
Net monthly savings	€9,000
Net monthly savings after 5 years	€23,800

### Projects pay for themselves

- No down payment
- Positive monthly cash flow from first month
- Realize full monthly savings when project is paid off

**Upgrading your factory for safety and savings has never been so easy.**
