

## CONTROL SYSTEM and ACCESSORIES indoor

### LED Drivers

Qui trovate una selezione di alimentatori utili per le applicazioni in interni. Per l'installazione e la compatibilità controllare le informazioni contenute nella documentazione tecnica del prodotto desiderato.

Here you can find a selection of driver for indoor applications. For installation and compatibility please control the information included into the mounting instructions of the desired product.

#### Alimentatori in corrente continua 350/500/700mA / Direct current electronic drivers 350/500/700mA

12NC	codice/code	V out	Potenza/Power	350mA	500mA	700mA	IP
910504800647	WALIMLED01350	4V	1W	350			IP66
910504800648	WALIMLED03350	12,5V	3W	350			IP20
910504800649	WALIMLED08350	34V	12W	350			IP20
