

PHILIPS

Xtend LED

34 – 38W

Long-lasting lighting for commercial environments

When you need low maintenance lighting for office and retail applications, the new Philips Xtend LED Family is the perfect solution.

The Xtend LED has a 50,000hr lifetime @ L70 and is the perfect balance of aesthetically pleasing design and performance.

With 1200 x 600, 600 x 600 and 1200 x 300mm model options, you can install the Xtend LED in standard Tee rail ceiling grids.

The savings last long after the install. The Xtend LED range has a 95lm/w system efficacy, delivering a 50% energy saving compared to conventional Philips T8 Troffer systems.

Product data

Key specification	RC115B W60L60	RC115B W30L120	RC115B W60L120
Dimension (mm)	595 x 595	295 x1195	595 x 1195

Features and benefits

- **Energy saving.** System efficacy reaches 95lm/w that gives 50% energy saving when compared to Philips T8 systems.
- **Comfort.** CRI>80 provides good colour consistency that's easy on the eye.
- **Specific** light direction provides better lighting solutions for offices.
- **Low maintenance.** Long lifetime of 50,000hrs L70 @ 25°C make this a true low maintenance solution.
- **Flexibility.** The tailored, linear design is equally at home in office and retail applications. The traditional 1200 x 600, 600 x 600 and 1200 x 300mm sizes suit standard Tee rail ceiling grids.
- **Dali options available.**

Applications

- Meeting rooms.
- General office.
- Supermarkets.
- Banks.
