**Core Range LED
Batten**

20W - 60W

Energy efficient **LED battens** made for New Zealand

Now there is an easy-to-install batten lighting solution that meets the demands of the New Zealand 58 watt market.

The Core Range LED batten range comes in a choice of 20W, 40W and 60W models, making it an easy direct replacement for traditional 36W and 58W TL-D Philips Fluorescent fittings.

Maintenance costs become a thing of the past, thanks to a long lifetime of up to 40,000 hours at L70. The reliable and robust housing maximises the durability of the Core Range battens.

The Philips Core Range LED battens are at home in a variety of applications, including warehouses, corridors and storage spaces. And now with the addition of a 58W replacement model, you have even more flexibility.
