Press Release

June 1, 2017

New plant managers in Philips Lighting factories in Piła and Kętrzyn

Warsaw, Poland - Philips Lighting, a global leader in lighting has announced organizational changes at Philips Lighting Poland Sp. z o.o. in Piła and in the company's branch in Kętrzyn.

Marek Huzarewicz, plant manager at Philips Lighting Poland in Piła, holding the position since 2013, will now become the plant manager of Philips Lighting factory in Kętrzyn.

As of August 15 2017, the position of plant manager in Philips Lighting Poland factory in Piła will be held by **Rifki Al Amin**.

Marek Huzarewicz has been working in lighting industry for over 25 years. He was responsible for huge transfers of production in lighting sector to Poland - this includes projects such as construction of lighting electronics factory in Piła and development of production of lighting luminaries in Kętrzyn.

From 2005 to 2007, he managed the expansion of Philips Lighting Electronics business in Central and Eastern Europe. As chairman of the management board at Philips Poland he was responsible for developing strategies for the Philips companies present on the Polish market. From 2007 to 2013 – plant manager of Philips Lighting production facility in Kętrzyn. In the years 2013 and 2017 - chairman of the management board and CEO at Philips Lighting Poland in Piła. Graduated from Poznań University of Technology and Poznań University of Economics.

Rifki Al Amin has been working with Philips Lighting for 25 years. Currently he is holding the position of a plant manager of factory in Yizheng, China. Graduated from chemical engineering faculty, he linked his entire professional career with Philips Lighting. As a young graduate, he started his career in Philips Lighting office in Surabaya - Indonesia, where he gained experience in area of glass production and light sources. During his 16 years in Surabaya, he held various functions - from production, quality control and B2B sales of glass products to managing a team of 1200 employees. He then became the plant manager of Philips in Bangpoo, Thailand (2009 – 2010); Vadodara in India (2010 –2013) and Yizheng in China (2013 - 2017). In both his private and professional life, Rifki is a great promoter of LEAN system. He is a LEAN's certified expert, a Six Sigma Black Belt and ISO9000 auditor.

Rifki is married, has three children. His entire family loves traveling and spending time outdoors.
