

My Technology Portal

Our award-winning content platform

This app gives you 24/7 services to drive your business with our OEM technology. It has all the information to guide you through every step of the process. Whether you're looking for products or track and tracing orders, you've got all our services at your fingertips with just one log in.

The only service platform of its kind in the lighting industry, it's free to download for Android via Google apps and IOS via the AppStore. Just login with your existing portal credentials and get started!

A personalized space

You can see at once what's relevant to you by filling in your 'fields of interest' to highlight preferred segments. These features support your needs in planning changes to products and creating ideas around new developments. Please make sure to set your notification preferences in My Account on the My Technology Portal to ensure you do not miss out on any updates.

What's coming soon?

Stay up to date by subscribing to notifications in your account settings.

Everything you need is here

My orders; review your orders, and check order status and delivery information

My account; customize your dashboard, set notifications and fields of interest

News; includes webinars, tutorials, OEM videos, event information and market-specific insights

Share center; share files with your key account manager and find relevant documentation

Portfolio; a customized overview based on your order history, quantity, phase-out information, search and Excel download

Contacts; see your relevant contacts and get in touch

Web shop; order samples of our newest products, or track and trace your order

Tools; directly access Easy Design-In Tool to configure your LED system in a minute, the MultiOne Configurator and the Gear Selection Tool

Product news; all upcoming introductions and phaseouts including dates, codes, all the files you need and quick links to order samples and submit price requests
