Easy Design-In Tool
Making your work **easier every day**

The growing complexity of LED systems can be difficult to navigate. So wouldn't it be great if you could select exactly the right components to effortlessly design into your luminaires? With Easy Design-In Tool (EDIT), our complete portfolio of OEM products is at your fingertips, so you can configure the perfect LED module-driver combination in minutes. EDIT automatically filters the options that are available as a result of the choices you make. So you can manage the growing complexity of LED systems with ease.

Trusted to save time
As well as helping you find products and configure systems, the results EDIT calculates are verified by us to support our product warranties. It's the industry's benchmark that's trusted by thousands of luminaire designers and product engineers.

- Quick and easy to use
- Filter by specifications
- Associate drivers and modules
- Connect components, set up drivers
- Reliable, approved solutions
- Request a price easily
- Download system summaries with full technical details

Take a look at our knowledge page to discover even more valuable EDIT tips and tricks that you can incorporate into your daily routine, and explore the full spectrum of EDIT's capabilities.

Now even smarter
With new connectivity, EDIT gives you an even smarter way to streamline your workflow. Simply log on with your My Technology Portal account to access customized views and connect to other OEM support tools.
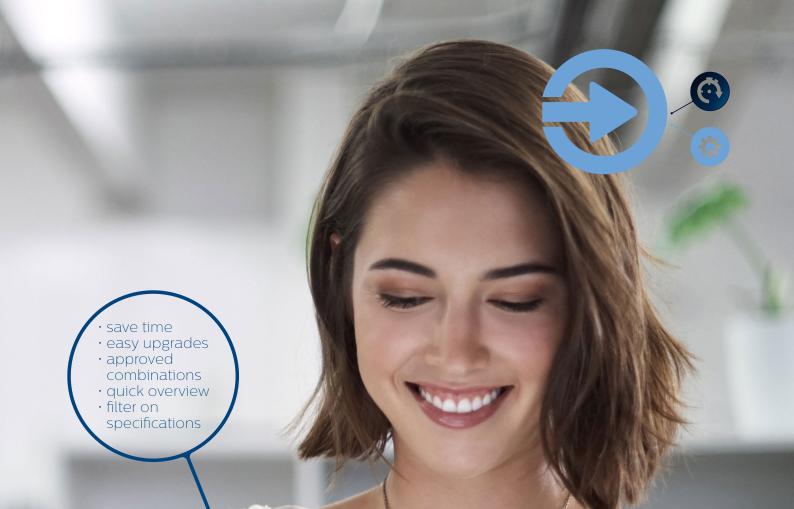

MyTP
EDIT connects to My Technology Portal, so it's easy to contact your key account manager for price guides, to get help with finding the right LED products or to discuss your freshly-found system solution.

MultiOne
You now can use your EDIT output to generate the input for our MultiOne configuration software – saving you even more time. It's that simple.

Get the EDIT habit
To see just how easy life could be, log on and start exploring EDIT at **easydesignintool.philips.com**

- save time
- easy upgrades
- approved combinations
- quick overview
- filter on specifications

" Also competitors have great tools and lots of services but **Signify is the only one connecting the dots!**"

Enrico Campana, Quality Manager,
Ilumisa Architectural Lighting
