

# My Technology Portal

## Our award-winning content platform

This app gives you 24/7 services to drive your business with our OEM technology. It has all the information to guide you through every step of the process. Whether you're looking for our latest products, phase-out information or the delivery time of your pending orders, you've got all our services at your fingertips with just one log in.

The only service platform of its kind in the lighting industry, it's free to download for Android via Google apps and IOS via the AppStore. Just log in with your existing portal credentials and get started!

### **A personalized space**

You can see at once what's relevant to you by filling in your 'fields of interest' to highlight preferred segments. These features support your needs in planning changes to products and creating ideas around new developments. Please make sure to set your notification preferences in My Account on the My Technology Portal to ensure you do not miss out on any updates.

# Everything you need is here

NEW
