

Terms and Conditions of Sale

These standard terms and conditions of sale ("Terms and Conditions") apply to any and all orders placed by purchaser ("Purchaser") for purchases of products or services (together, "Products") from and after July 1, 2016 from Philips Lighting North America Corporation or its affiliates ("Manufacturer"), whether or not such purchase is subject to a signed purchase order, distribution or other agreement between Manufacturer and Purchaser. Ordering Products from Manufacturer constitutes acceptance of the terms set forth herein, as such terms may have been updated through the date of such order. Any different, or additional terms in any purchase order, blanket instructions or other writing from Purchaser shall be deemed a material alteration hereof and are hereby expressly objected to and rejected and shall be of no force or effect. Commencement of performance or shipment shall not be construed as acceptance of any of Purchaser's terms and conditions which are different from or in addition to those contained in the Agreement. Course of performance or usage of trade shall not be applied to modify these Terms and Conditions.

ORDERS; CHANGES AND CANCELLATIONS: All orders must be placed in writing and delivered directly to Manufacturer from the entity that will be liable for the payment of the order. Verbal orders or orders through a third party will not be accepted.

No order is final as to Manufacturer until accepted by Manufacturer by written acknowledgement. All orders that are accepted by Manufacturer are subject to these Terms and Conditions. After acceptance, requests to cancel or change orders must be submitted in writing to Manufacturer. All requests are reviewed for approval before processing and shall be subject to any and all costs or expenses incurred by Manufacturer from such cancellation or change, including, without limitation, costs for work performed and/or materials purchased by Manufacturer for Products. Hold orders may be accepted for informational purposes only. Procurement and production process will not be initiated and delivery commitments will not be provided without firm release dates.

PRICES: All prices represent those in effect at the time of quotation and are subject to change without notice. All prices are as stated in Manufacturer's quote and specifically override any prices referenced in Purchaser's purchase order. Unless prices are quoted as "firm" by an officer of Manufacturer, Manufacturer reserves the right to invoice prices in effect at the date of shipment, regardless of any prior quote and regardless of whether notice was received by Purchaser. All prices and other terms are subject to correction for typographical or clerical errors.

SALES MATERIALS; SPECIFICATIONS: Any catalog, specification or price sheet or other similar documentation prepared by Manufacturer is strictly for the convenience of the user and shall not be deemed as an offer to sell. Manufacturer believes such documentation is complete and accurate at time of printing, but does not warrant that such documentation is error free. Manufacturer will not accept responsibility for any damages including labor charge backs in connection with errors of measurements, descriptions, application recommendations, etc.

Products will be shipped in accordance with the standard styles and sizes as described in Manufacturer's catalogs or, for special or made-to-order Products, in accordance with Manufacturer's drawings and specifications sheets. In the event of a conflict between a customer's written order and a Manufacturer drawing or specification sheet marked "approved" or the like, the Manufacturer drawing or specification sheet shall prevail. Manufacturer reserves the right to change details of design, materials and finish at any time without written notice.

TERMS OF PAYMENT: Unless otherwise stated in Manufacturer's invoice or agreed to in writing by Manufacturer, terms of payment for orders shipped to destinations in the United States shall be as follows: (i) for drop ship orders, payment is due by the 10th day of the month following invoicing to earn the 1% discount, the net is due on the 25th of the month following invoicing and (ii) for orders into stock, payment is due by the 10th day of the 2nd month following invoicing to earn the 1% discount, the net is due on the 25th of the 2nd month following invoicing. The terms of payment are subject to review of Purchaser's credit by Manufacturer. Manufacturer shall have the right, at any time and from time to time, to require cash payments in advance or a letter of credit or other assurance of payment satisfactory to Manufacturer as a condition to acceptance of any order or shipment of any Product. Unless otherwise agreed to by Manufacturer, payment shall be by check to be drawn on Purchaser's corporate account, by wire transfer to Manufacturer's account at a commercial bank designated by Manufacturer, or by Manufacturer's draw upon a letter of credit satisfactory in form and substance to Manufacturer.

The requirement of a letter of credit is standard for shipments outside the United States for special products, and for F.O.B. factory orders. All payments by Purchaser shall be made in United States Dollars and shall be paid in full, without set-off, deduction or counterclaim.

TAXES AND GOVERNMENTAL CHARGES: Prices do not include any taxes or other governmental fees, charges or assessments, including, without limitation, value-added, sales, use or privileges taxes, required governmental withholdings or excise or similar taxes levied by any government, now or hereafter enacted. In Manufacturer's discretion, any such taxes, charges or withholdings may be added to the price for any Products or may be billed separately. Purchaser will pay all such taxes and charges, on or before their due dates. In the event Manufacturer is required at any time to pay any such tax or charge, Purchaser will reimburse Manufacturer promptly on demand.

LATE CHARGES; COSTS: If Purchaser fails to pay in full without any set off or deduction any amount due to Manufacturer promptly when due, Manufacturer may recover, in addition to the payment due, interest thereon at a rate equal to the lesser of 1-1/2% per month and the maximum rate of interest allowable under applicable law and Purchaser shall be liable for all costs and expenses, including reasonable attorneys' fees, incurred by Manufacturer in collecting or attempting to collect any and all overdue accounts. If Purchaser fails to pay any amount when due, in addition to any other rights or remedies available to Manufacturer at law or in equity, Manufacturer may discontinue the performance of services, discontinue the delivery of the product, or deduct the unpaid amount from any amounts otherwise owed to Purchaser by Manufacturer under any agreement with Purchaser.

SECURITY INTEREST: Purchaser hereby grants to Manufacturer a purchase money security interest in the products until all payments have been made. Purchaser shall sign any financing statements or other documents necessary to perfect Manufacturer's security interests in the products. Where permitted

EXPORT CONTROL: Purchaser understands that certain transactions of Manufacturer are subject to export control laws and regulations, such as but not limited to the UN, EU and the USA export control laws and regulations ("Export Regulations"), which prohibit export or diversion of certain products and technology to certain countries. Any and all obligations of Manufacturer to export, re-export or transfer Products as well as any technical assistance, training, investments, financial assistance, financing and brokering will be subject in all respects to such Export Regulations and will from time to time govern the license and delivery of Products and technology abroad by persons subject to the jurisdiction of the relevant authorities responsible for such Export Regulations. Furthermore, Manufacturer may at its option terminate the relevant order in all cases without incurring any liability towards the Purchaser or end-user.

As used in this Section, "Government Official" means any minister, officer, director or employee of a government or any department, agency, or instrumentality thereof, or of a public international organization (such as the World Bank, International Monetary Fund or United Nations), or any person acting in an official capacity for or on behalf of any such government or department, agency, or instrumentality, or for or on behalf of any such public international organization.

INDEMNIFICATION: Purchaser shall indemnify, defend and hold harmless Manufacturer and its officers, directors, agents, employees, affiliates, successors, and assigns from and against all losses, liabilities, costs and expenses arising out of or in connection with any claim by third parties for any loss, damage or injury or death caused or alleged to be caused by: (a) the negligent use, application, or installation of Product by Purchaser or its employees, partners to whom Purchaser sold Product, contractors, agents or affiliates, (collectively, "Purchaser Parties"); or (b) the modification of Product or integration of Product into other products by any of the Purchaser Parties unless authorized in writing by Manufacturer. Purchaser shall not join, settle or otherwise attempt to affect or dispose of any such claim without Manufacturer's written consent.

Notwithstanding the foregoing, with respect to all Products manufactured by Manufacturer, either in whole or in part, to Purchaser's designs, specifications or instructions, Purchaser shall defend and hold harmless Manufacturer from all liability, loss, cost and expense (including attorney's fees) resulting from claims of alleged infringement of patents, designs, copyrights, trademarks, and other proprietary rights.

If any Product is, or in Manufacturer's opinion is likely to become, the subject of a claim of infringement under this Section or if Manufacturer receives from a claim of infringement from a third party in relation to any of the Products, Manufacturer shall have the right, without obligation or liability and at its sole option, to: (i) procure for Purchaser the right to continue to use or sell the Product; (ii) replacement the Product with anon-infringing product, or (iii) modify the Product in such a way as to make the modified Product non-infringing; or (iv) repurchase such Product from the Purchaser for the initial price paid by Purchaser less reasonable depreciation; or (v) suspend or discontinue supplies to Purchaser of the Products or parts to which such notice relates or (vi) terminate any agreement to the extent related to such Product.
