Energy Saver 3-Way  
Twister Lamp

*Ideal for table lamps  
and floor lamps*

ENERGY SAVER

## Energy saver 3-Way twister

Philips 3-Way Twister Compact Fluorescent Lamp is a new innovative approach to 3-Way lighting.

The ideal light bulb to replace the 50/100/150 Watt incandescent 3-Way in table lamps and floor lamps.

### Direct replacement for incandescent bulbs

- Double Helix Technology—utilizes two separate burners to provide three distinctive light levels
- Light does not flicker
- Settings are low/medium/high
- Save 39/77/116 watts in your 3-Way lamps when you replace a 50/100/150 watt incandescent 3-Way with an 11/23/34 energy saver 3-Way twister
- Optimized color quality to match incandescent lamps
- Harp extenders included

### Long life

- Lasts 9 years\*

\* Based on an average daily usage of 3–4 hours per day, 7 days per week.

1) Approximate initial lumens. The lamp lumen output is based upon lamp performance after 100 hours of operating life under standard laboratory conditions.

2) Average life under specified test conditions with lamps turned off and restarted no more frequently than once every 3 operating hours. Use in recessed cans or enclosed indoor fixtures could result in reduced lamp life. This product should not be used in a socket that is not suitable for 3-Way type lights.

**WARNINGS AND CAUTIONS:** Do not use with dimmers. Some electronic timer and photo sensor switches contain dimming circuitry, so before using such a switch, check with its manufacturer to ensure compatibility with electronic CFL bulbs. Do not use with emergency exit fixtures or lights. Outdoor use requires a weather-protected fixture. Turn off power before changing bulb. This device complies with Part 18 of the FCC Rules. Reliable operating temperature range -10°F/-23°C to 140°F/60°C.

**Note:** This product may cause interference with radios, televisions, telephones, or remote controls. If interference occurs, move this product away from device or plug into another outlet.
