Area light

- Budget-friendly, high quality area lighting for parking and outdoor spaces.
- LED technology will save up to 68% energy over HID.*
- Enhance the sense of security.
- Square pole mounting standard, round pole mount adapter included.
- Durable aluminum construction.
- Lifetime >54,000 hours.**
- 5 year limited warranty.

* Based on comparison between 250W PSMH (at 295W) and AL-150-NW-G1 at 147W.

** Predicted performance derived from LED manufacturer's data and engineering design estimates, based on IESNA LM-80 methodology.

Dusk to Dawn

- Dusk to Dawn is sturdy, fade and abrasion resistant, built of a one-piece die-cast aluminum housing.
- This LED technology will save you up to 70% energy over HID.*
- Refracted lens design spreads light evenly to reduce glare significantly.
- Excellent choice for general areas, where lighting can enhance security.
- Direct mount or arm mount – compatible to retrofit onto existing arms easily.
- 5 year limited warranty.

* DTDLED rated 39 input watts is 70% less versus metal halide systems rated 129 input watts.

Garage & canopy

- Cost-effective and efficient lighting for parking garages, covered walkways and canopies.
- Slim and compact design.
- Durable, weather-tight IP65 rated construction with a rugged, UV stabilized, frosted lens.
- Easy install with the integral quick-mount plate, or pendant mount with 3/4" rigid conduit.
- Great choice for new construction or retrofit installation.
- 5 year limited warranty.

General purpose floods

- Complete family of LED floodlights ideal to illuminate signs, building facades or other dark areas.
- Can be mounted on the ground, wall or pole-mounted.
- IP66 rated.
- Discreet, modern design.
- All 5 sizes arrive fully assembled and ready to install. Three larger sizes have a trunnion mount and the two smaller sizes have a knuckle mount.
- Fade-resistant, textured bronze finish with tempered glass lens that is heat and impact resistant.
- 5 year limited warranty.

Low profile wall

- Budget-friendly, discreet fixture for a wide variety of outdoor spaces
- Energy efficient fixture that delivers up to 110 lumens per watt.
- Durable construction of die-cast aluminum with a UV stabilized lens and stainless steel hardware.
- Quick and easy installation – mounts to a standard 3 1/2 or 4" junction box.
- 3 size options: 15, 30 or 50 watt.
- Slim profile, just over 4 inches.
- 5 year limited warranty.

LWL Wall light

- Ideal wall mount fixture for doorways, entryways and other poorly lit areas.
- Cost-effective enhanced LED performance means you won't have to sacrifice quality for your budget.
- Strong, one-piece, die-cast aluminum housing with a tough polycarbonate lens.
- Built-in photocell for automatic dusk to dawn lighting allow for even more cost-savings.
- Easy installation, the LWL Wall Light mounts to a standard 4" junction box with a galvanized mounting plate.
- 5 year limited warranty.

Tall wall pack

- Lightweight, compact and built to last.
- Provides up to 83% energy savings over 70W Metal Halide luminaires.*
- The bronze housing is die cast aluminum and impact resistant polycarbonate, with a frosted lens.
- Rated for temperatures from -40 to 104°.
- Installation is quick and easy, it mounts to a standard 3 1/2 or 4" junction box.
- Lifetime >100,000 hours.**
- 5 year limited warranty.

* Based on comparison between TW20 @ 20W and 70W Metal halide.

** Predicted performance derived from LED manufacturer's data and engineering design estimates, based on IESNA LM-80 methodology.

Wall pack

- An easy switch from costly HID fixtures.
- Flexible options – choose from 30, 50 and 75 watts in two different sizes.
- The 50 watt Wall pack provides the same illumination as a 100 watt HID fixture, and uses over 50% less energy.*
- Glass refractor lens design cuts down on glare.
- One-piece die-cast aluminum housing.
- 5 year limited warranty.

* Based on comparison between 100W HPS Wall Pack at 115W providing 6100 lumens and 50W WP LED providing 5500 lumens

Easy order. Budget friendly. Job ready.
