Make the room the view...

EyeLine... make your space a destination.

Stylishly sophisticated, boldly dramatic... **Philips Ledalite EyeLine** is sure to make a statement in any architectural space. Horizontally ultra-thin linear light panels make **EyeLine** appear weightless, and so utterly organic that it becomes a natural design element of the built environment. Providing gentle, glare free illumination, **EyeLine** will startle you with its robust performance, while allowing you to maximize row spacing in large open plan areas, and keep energy densities to a minimum.

Make your room the view with **EyeLine**.
