Stylishly sophisticated, boldly dramatic... Philips Ledalite EyeLine is sure to make a statement in any architectural space. Horizontally ultra-thin linear light panels make EyeLine appear weightless, and so utterly organic that it becomes a natural design element of the built environment. Providing gentle, glare free illumination, EyeLine will startle you with its robust performance, while allowing you to maximize row spacing in large open plan areas, and keep energy densities to a minimum.

Make your room the view with EyeLine.
