

Pay as you save plan example

How it's calculated

Street Lighting project with LED luminaires:

Municipality – 10,000 light points

From HID 196W to Clearway LED 75W

Annual energy + maintenance savings	€470,000
Payment period	6 years
Monthly energy + maintenance cost savings	€39,200
Monthly payments	€32,000
Net monthly savings	€7,200
Net monthly savings after 6 years	€39,200

Projects pay for themselves

- No down payment
- Positive monthly cash flow from first month
- Realize full monthly savings when project is paid off

Upgrading your city with more light for less energy, has never been so easy.
