

# Brighter Lives, Better World

## Philips Lighting | Sustainability

### The challenges

Climate change caused by carbon emissions is threatening our planet

Global population is increasing with more people living in cities

More resources are needed and create more waste

### Our promise

Sustainable products, systems and services will contribute 80% of our revenues by 2020

**Energy efficiency**  
Connected LED lighting reduces energy consumption by up to 80%

**Social benefits**  
The right light helps people to see, feel and function better

**Circular lighting**  
We are leading the transition to a circular economy

### Our operational commitments

**ZERO carbon**  
100% carbon neutral  
100% renewable electricity by 2020

**Prevent injuries**  
Create safe work places

**ZERO waste to landfill**  
Eliminate waste to landfill for our manufacturing sites

To unlock the extraordinary potential of light for **brighter lives and a better world**
