---

1. Savings based on comparison to F32T8 electronic instant start systems. Savings based on operating InstantFit T8 LED with EasySmart technology with advanced controls such as occupancy sensing and/or dimming.
2. LED lifetime means the length of time (in hours) until half of the LED light sources maintain at least 70% of their initial lumen output (B50, L70).
3. Measured data provided as a reference. System power may vary depending on ballast manufacturer and ballast age. Please refer to philips.com/EasySmart for the latest ballast compatibility guide.
4. Photometric testing consistent with IES LM-79.
